Prescription Medications

If your child requires medication for a current condition, the following procedure must be observed to ensure safe administration:

- Prescription medication must be in its original container with an accurate pharmacy label indicating camper's name, medical provider, dose, and timing.
- If the directions on the container are different from what the physician is currently prescribing, written instruction from the physician is necessary.
- Place all medication in a Ziploc bag, labeled with child's name. This must be given to camp nurse at the time of registration.

Over-The-Counter Medications

We stock over-the-counter medications to aid your child for health problems that may arise. The following medications are stocked and dispensed as deemed necessary by the camp nurse: acetaminophen, ibuprofen, antihistamine, throat lozenges, anti-nausea, anti-diarrhea, antiseptic solution, antibiotic ointment, anti-itch cream, ipecac, aloe, sunscreen, and insect repellent.

I authorize the camp nurse to use any of these OTC meds as necessary

Please do not use _____

I authorize the WPC&RC Camp Nurse to assist my child with the listed medications he/she will be bringing as indicated by written directions of the prescriber. I further authorize the camp nurse to dispense over the counter medication except exclusions I have listed above. I understand that health care provided by WPC&RC nurses is done so with no compensation. They may be held liable for injury, death or loss arising out of providing these services only for acts of gross negligence.

The information recorded on this form is complete and correct as far as I know and the person described above has permission to engage in all camp activities, both on-campus and off-campus, unless excluded above. I agree to let pictures of my child be used for promotional purposes by WPC&RC. I have familiarized myself with the camp program and events and understand that all activities are completely voluntary. I understand that WPC&RC has taken measures, including having staff certified in CPR, to aid in the safety of all camp participants. However, I also recognize that WPC&RC cannot ensure or guarantee that the participants, equipment, grounds and/or activities will be free of accidents or injuries. I am aware and have instructed my child about the importance of knowing and abiding by the camp rules and regulations. I voluntarily waive any claim against WPC&RC, its staff members, and Board Members, against all liability, claims, damages, attorney fees, or expenses arising out of or in connection with camp activities.

In the event I cannot be reached in an emergency, I give permission to the physician selected by the camp director to hospitalize, secure proper treatment for, and to order injections and/or anesthesia and/or surgery for the camper named above.
